Brides Home Coverage

A female video journalist will capture the excitement of the bride and her family as the ceremony approaches.

Grooms Home Coverage

From dad's last minute advice to placing the flower in the groom's lapel, all of the groom's preparations are captured as he deals with those last minute wedding jitters.

Thank-you Video

This shortened version of your Wedding Video is a perfect gift for your Bridal Party and close family members. Thank-you videos contain all the segments of the full version except for the full length ceremony & reception (i.e. Photo Montage, Love Story, Invitation, Recap / Highlights, Honeymoon Montage, etc.)

Additional Camera at Ceremony

Capture the tears, the smiles, the "ooohs" and "aaahs" of family & friends during exchanging of the vows, not to mention the groom's reaction as the bride walks down the aisle.

Additional Camera at Reception

Primary camera focuses exclusively on the Bride & Groom, while the second camera captures different angles and reactions from the guests.

Coverage at Additional Locations

Top off your wedding video with additional footage added from your own shots of the bachelor and bachelorette parties. Is there a special place where

Additional Videos

Lovers Dream

This is a perfect way to capture your love and emotion for each other in a setting of your choice. A truly up-close and personal introduction of the Bride and Groom as they are meant to be captured on film - "In Love." This video shoot will take place at a location of your choice (i.e. park, lake, beach, etc.). Your Love Story will also include an in-depth interview at which you will be asked a number of open-ended questions about your relationship (how you first met, describing your first kiss, your expectations of the future, etc.). Your responses will be combined to a mix of video, music, effects and photographs to create a truly unique masterpiece.

Memory Reflection

A perfect ending to the perfect day, will include a recap of the day set to music of your choice.

Through-the-Years Photo Montage

Gather those old pictures and video tapes and have us polish them off and set to music with added special effects and backgrounds.

Ceremony and Reception Footage

All of those special moments captured from welcoming of the guests to the final "I do's" We will work with your event planner, priest, rabbi or JP to ensure we capture all of those special moments for you to cherish for years to come.
